

Navigating the Brea Arts Website

http://gisweb.cityofbrea.net/Html5Viewer_1_2/Index.html?viewer=breaarts

Search by artist:

- Enter artist name in the “Search...” box, on the top-right corner.
- You can enter artist’s First Name, Last Name, or both when searching.
- Press Enter on your keyboard
- Results of your search will be displayed on the left side of the web page.
- Click the “Show Details” link below each result for more information about the art piece.

Search by Title:

- Enter the title of the art piece in the “Search...” box, on the top-right corner.
- You can enter the full title or part of the title in the “Search...” box.
- Press Enter on your keyboard
- Results of your search will be displayed on the left side of the website.
- Click the “Show Details” link below each result for more information about the art piece.

Using the mouse to identify art piece:

- Use your mouse to click on one of the orange points.
- Click the “Show Details” link below the pop-up image for more information about the art piece.
- Continue to click on other points to review different art pieces in Brea.
- To return back to the initial extent, click on the “I want to...” orange box on the top left on the website.
- Select “Return to initial map extent”

Identify multiple art pieces by drawing a rectangle in the area of interest:

- Click on the “I want to...” orange box on the top left of the website.
- Select “Identify by rectangle”
- Click and hold down the left button of your mouse, then drag to draw a rectangle area of your choice and release the button.
- Results of your search will be displayed on the left side of the website.
- Click the “Show Details” link below each result for more information about the art piece.
