**UPCOMING EXHIBIT**

An exhibit of tiny proportions, *Something Superbly Small: Pint-Sized Art* is not your typical miniature show. Showcasing a variety of mediums, including painting, ceramic, tilt-shift photography, miniature sculpture, craft, and jewelry, this exhibition will pose the question as to whether or not bigger is really better. Bring your magnifying glass and see for yourself the amazing detail and work that goes into creating miniscule masterpieces! Join us for the free Opening Reception, featuring

live music, food and drinks on Saturday, June 2 from 7:00pm – 9:00pm. This petite exhibition will run from June 2, 2012 through July 13, 2012 so be sure to catch it before it's gone!
