CITY OF BREA – IMAGE RELEASE

I hereby consent to and authorize the use and reproduction of any and all video and/or photographic images. I give permission to the City of Brea to photograph or videotape me and I agree to release such photographs and/or video to be the sole property of the City of Brea. These images will be used in a variety of City media (print, video, social media) to promote City programs and services. Furthermore, I agree that I will not receive any compensation for such use.

SHOT DESCRIPTION: 2021 / 2022 Tiny Tots

Dear Tiny Tots Parents,

It is our goal to always provide your child with the safest and healthiest environment we can, especially during this time. Our programs are following current guidelines provided by multiple government agencies (CDC, State of CA, OC Health Department, etc.). This includes smaller group sizes per classroom and smaller staff-to-child ratios. Staff will also work to teach and enforce social distancing in each program area. Please note, as regulations and recommendations change, so may some of the City of Brea's policies. Parents will continually be updated of changes.

IMPORTANT PROGRAM POLICIES AND UPDATES

SICK POLICY

- **If your child develops any of the following symptoms, they may not return to Tiny Tots until they are symptom free for a full 24 hours** or until your child's physician indicates he/she can return to Tiny Tots.
- If your child is found to have any of the below symptoms in program, we will isolate them from the other children and call you to pick him/her up immediately.
 - Severe coughing
 - Yellow eyes or skin
 - Mouth sores with or without drooling
 - Unusual spots or rashes
 - Infected skin patches
 - Headache or stiffness of neck
 - Nasal discharge that is not clear
 - Diarrhea
 - Difficult or rapid breathing
 - Tears, redness of eyelids with discharge
 - A fever of 100.4 F or above
 - Sore throat or trouble swallowing
 - Severe itching of body or scalp
 - Vomiting
 - Any other contagious or communicable disease
 - Loss of taste or smell
- If your child has any communicable disease (including COVID-19), please inform us immediately so we can take necessary precautions. **Children may return when they have been symptom free for a full 24 hours.** In certain cases when an illness is contagious and communicable, a physician's written release stating the child is no longer contagious will be required. We will inform you when a written release is required.
- All participants who have been diagnosed with or are likely to have COVID-19 shall immediately quarantine themselves and may return after they have completed 14 days of quarantine (from first day of symptoms) and have fully recovered and are free of all symptoms for at least 3 days (72 hours).
- All participants who have been in close contact with a person diagnosed with or likely to have COVID-19 shall quarantine themselves and may not return to the program for 10 days from the last date they were in close contact with a person that has been diagnosed with or likely to have COVID-19. This includes any participant that has had a positive case in their household.
- Participants may not attend program while they or anyone in their home is awaiting results of a COVID-19 test.
- Before participants may return to program, they must be cleared for return from Sheryl or Mary Kathryn. Please discuss all cases immediately with them.

For more COVID-19 information and to read the full OC Health Officer's Orders, please visit the OC Health Care Agency's COVID-19 page: <https://occovid19.ochealthinfo.com>.

HEALTH SCREENINGS

- **Prior to arriving to program, we ask that parents perform a health screening by taking their child's temperature and ensuring they do not have a fever of 100.4°F or higher or any COVID-19 symptoms.**
- Upon arrival, participants must receive a health screening, which includes taking their temperature with a non-contact thermometer. If a participant has a temperature of 100.4°F or higher, there will be an allowable grace period (up to ten minutes) where the child can wait with their parent/guardian in a vehicle or a reasonable distance away from the facility. This guideline recognizes that temperatures can rise quickly if the child was running to the facility excited, wearing a hat or

drinking a hot drink. If after the second test, they still test 100.4°F or higher, the child must be taken home and can return after being symptom free for a full 24 hours.

HEALTH AND CLEANING

- Staff will be cleaning equipment, surfaces, toys and restrooms throughout the day, including before and after use.
- Staff and children will be washing hands and/or using sanitizer before entering and exiting the classroom, playground area and each activity, in addition to regular washing before and after restroom use and meals. Hand sanitizing will also be required after touching their faces, blowing their noses, etc.
- Staff and children will maintain social distancing while in program - yes, we know this is difficult for younger children, but we will be educating the children, setting up the room for success and have extra staff to assist in maintaining social distancing as much as possible.
- No personal toys or belongings other than lunches, a needed sweatshirt/sweater and a water bottle will be allowed. Participants will have individual cubbies for their items.
- Staff members will be wearing face masks at all times and sanitizing/hand washing consistently between child interactions, activities and duties. Gloves will also be worn regularly for many duties and interactions.

FACE-COVERINGS / MASKS

- All participants must wear a face-covering in program. We strongly encourage that your child also brings a backup mask. Staff will be educating and working with the participants on proper mask wearing throughout the day.
- It is required that all persons entering, exiting and doing business in the Brea Community Center wear a face-covering. All staff are required to wear a face-covering.
- A cloth face-covering is a device or accessory that covers the nose and mouth. It can be secured to the head with ties or straps or simply wrapped around the lower face. Cloth face-coverings can be made from a variety of materials, such as cotton, silk or linen, and can be factory-made, sewn by hand, or improvised from household items, such as scarfs, T-shirts, sweatshirts or towels.

CHECK-IN / OUT PROCESS

- As our buildings reopen and updated government guidelines are released, we will be working on this process and updating you before the start of program. Some changes will include: No adults allowed in any program areas, one centralized check-in/out location, designated drop-off/pick-up times (alternate times can be arranged), temperature-taking/health checks at the door, sneeze guards, face-coverings, etc. An e-mail will be sent prior to program starting so all parents are prepared with the exact process and location for drop-off/pick-up of participants.
- It is required that all adults dropping off or picking up participants wear a face-covering in the Brea Community Center.
- Photo ID's of the parent/adult picking up the participant will still be required. Only authorized persons are allowed to pick up participants.

Thank you so much for your cooperation and understanding. We want this to be a fun and healthy environment for everyone! If you have any questions or concerns, do not hesitate to call us.

Sincerely,

Sheryl Savord
Community Services Specialist

Important!
Waiver must be read and signed.

PLEASE READ CAREFULLY

**LIABILITY RELEASE AND ASSUMPTION OF RISK
INCLUDING CORONAVIRUS/COVID-19**

Print Minor Participant's Name

The City of Brea ("City") has implemented preventative measures to protect participants in its summer child-care, drop-in, camp, and recreational programs (each, a "Summer Program") from the risk of infection with COVID-19 which is known to cause serious illness, disability, and/or death. In spite of those measures, the City cannot guarantee that you or your child will not become infected with COVID-19. Further, attending a Summer Program could increase your risk and your child's risk of contracting COVID-19 and suffering serious illness, disability, or death.

I certify that I am an adult and that I am the parent or legal guardian for the participant identified above. By signing this Liability Release and Assumption of Risk, I acknowledge the contagious and dangerous nature of COVID-19 described above, the risk that my child and I may be exposed to or infected by COVID-19 by attending a Summer Program, and that such exposure or infection may result in personal injury, illness, permanent disability, and/or death. I understand that the risk of becoming exposed to or infected by COVID-19 at a Summer Program may result from the actions, omissions, or negligence of myself and others, including the City, its officers, volunteers, contractors, agents, or employees, and/or other Summer Program participants and/or their families.

With full knowledge thereof, I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any harm, injury, and/or damage that may occur to me or my child relating to my child's attendance at any Summer Program. On behalf of myself, my child, and our heirs and successors in interest, and to the fullest extent permitted by law, I hereby release, covenant not to sue, discharge, and hold harmless the City, its elected officials, officers, agents, volunteers, and employees ("City Parties") from any and all claims, liabilities, actions, damages, costs or expenses of any kind arising out of or relating to my child's attendance at any Summer Program ("Claims"). I understand and agree that this Liability Release and Assumption of Risk includes any Claims based on the actions, omissions, or negligence, whether passive or active, of the City Parties and irrespective of whether a COVID-19 infection occurs before, during, or after my child's attendance at any Summer Program.

I AM SIGNING THIS DOCUMENT WITH THE INTENT TO RELEASE AND HOLD HARMLESS IN ADVANCE THE CITY OF BREA AND ALL OTHER CITY PARTIES WITH RESPECT TO ALL POSSIBLE LIABILITY FOR INJURY, ILLNESS, DISABILITY, AND/OR DEATH, EVEN IF CAUSED BY THE ACTIVE OR PASSIVE NEGLIGENCE OF ANY OF THE CITY PARTIES, TO THE MAXIMUM EXTENT PERMITTED BY LAW. I HAVE READ THIS DOCUMENT AND UNDERSTAND AND ACKNOWLEDGE THAT BY SIGNING THE SAME I AM GIVING UP IMPORTANT LEGAL RIGHTS.
