LOOKING TO I.D.

Employees of Albertson’s at 2500 E Imperial Hwy. noted there were ten bottles of liquor missing from their shelves on two different occasions. When reviewing security camera footage they saw the above photographed subjects enter the store. Both sets of subjects used similar methods of obtaining the alcohol whereby they split-up upon entering the store, met and hid the merchandise, then left without paying. They are believed to be part of a crew working together.

If you recognize these subjects of have any information please contact Detective Mayo at 714.990-7186 or jmayo@cityofbrea.net
