About the Event

Join us at the Brea Gallery to watch John paint live, ask him questions, and learn more about his technique and style in lecture format. Enjoy a day of learning and observation with fellow watercolor enthusiasts, no supplies needed.

Come and explore how to break free of careful, timid painting techniques to create stronger, more effective artistic statements. Through his energetic teaching style and ability to clearly explain visual concepts, John will provide an exposition on pigment choices and compositional principles.

About the Artist

John Byram is an award-winning architect who has been painting in transparent watercolor for over 25 years. He particularly enjoys the balance between accurate representation and the chaos of the medium: between tight and loose brushwork; between what's deliberate and what almost paints itself.
